Letter to Dear Participants

Royal Invitation
Hello everyone,
Have you ever thought about the powerful spiritual truths hidden in a story like Disney's The Lion King?
Think about Mufasa. He is the great and powerful King of all the Pride Lands. In him, I see a picture of our Heavenly Father, the King of all creation.
And then there's Simba. I see myself in him. I am a child of God, and I've come to realize that just like Simba, I am destined to step into my inheritance. One day, I will reign in the Kingdom alongside my Father! As Mufasa told Simba, our inheritance is "everything the light touches."
But here's the most incredible news: this royal blessing isn't just for me. It's available to you, too. God is inviting you to take your place as a son or a daughter of the King. You can join in reigning in God's glorious kingdom, just like me, and just like Simba stepping into his destiny. This is your invitation to claim your royal identity.
Blessings,
